

Concentrating Growth Workgroup Report

November 24, 2014

To: Jon Laria, Chair, Maryland Sustainable Growth Commission & Commissioners

From: Derick Berlage, Chairman, Concentrating Growth Workgroup

Subject: Workgroup Activities

Date: November 24, 2014

As of 11/19/14, 8 members of the Maryland Sustainable Growth Commission have completed the Indicators Survey in its entirety, and 8 more have completed part of the survey.

MDP will inventory the responses more thoroughly to determine how many and which questions were answered by the partial responders, and to provide the Commission a summary of the prevailing opinions of the responders to the questions raised in the Survey at its November 24 meeting.
